

How to create a GetResponse account:

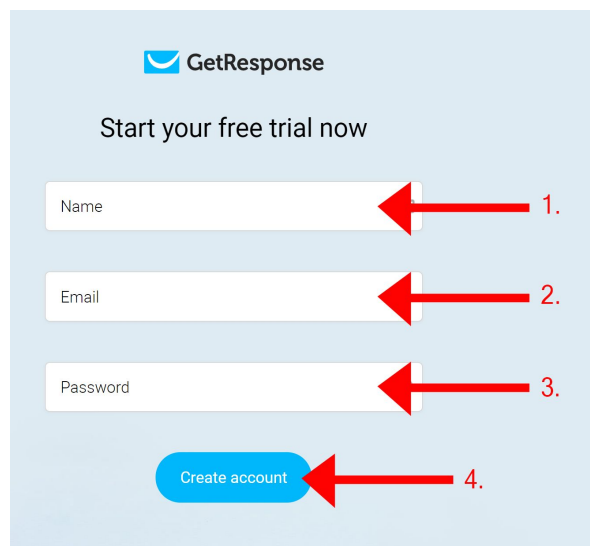

1. Go to the GetResponse website:

<http://go.fullstaqmarketer.com/getresponse>

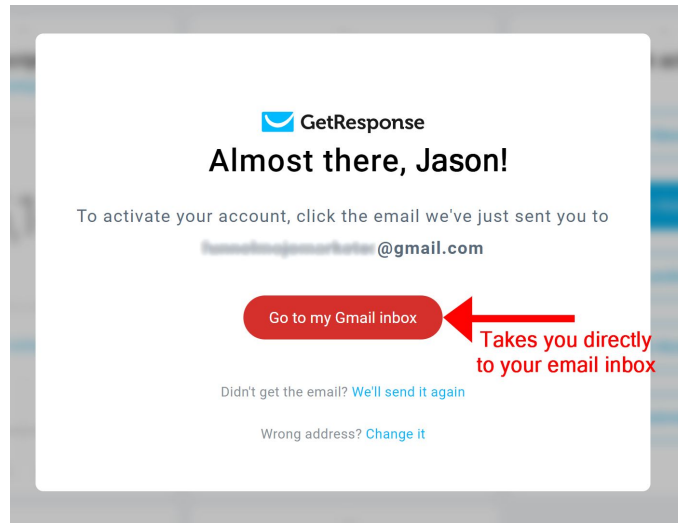

- a. In the middle of the page click on the blue “SIGN UP FREE” button.

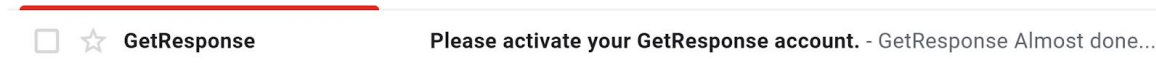

- b. On the next page, fill out the name, email and create a password.

A screenshot of the GetResponse sign-up form. The form is titled "GetResponse" with a logo and "Start your free trial now". It contains three input fields: "Name", "Email", and "Password". Each field has a red arrow pointing to it from the right, with a number next to the arrow: "1." for Name, "2." for Email, and "3." for Password. Below these fields is a blue "Create account" button, which also has a red arrow pointing to it from the right, labeled "4.".

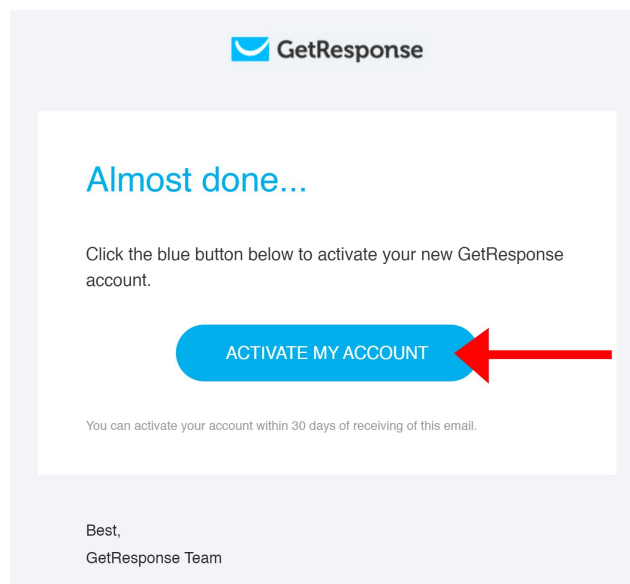

- c. Next, a pop-up will appear instructing you to check your inbox for the verification email. Just click the red “Go to my inbox” button.

- d. Next, find the email with the subject line “Please activate your GetResponse account. Click on it.”

- e. Then, in the email, click on the blue “ACTIVATE MY ACCOUNT”. This will take you back to GetResponse.

- f. Next you will need to enter your name, address and phone number.
