1. [Click here to get Bluehost](#) (Domain and Hosting)

i. Video: Module 1 Lesson 4: Bluehost Account

- When selecting a Domain, purchase one that is a '.com'.
- When purchasing your Domain, do not select Domain Privacy. You want people to be able to find your website on the internet.

****Note:** When setting up your domain, **DO NOT** use the word Fullstaq in any part of the name. Fullstaq is trademarked and cannot be used by any affiliates. ******

2. [Click here to get ClickFunnels](#)

i. Video: Module 1 Lesson 6: ClickFunnels Account

- It is recommended to purchase the \$97/month plan (after the 14 day free trial)

3. [Click here to get Get Response](#)

i. Video: Module 1 Lesson 3: Get Response Account

- It is recommended to start with the Basic Package (after the 30 day free trial)

4. [Click here to get ClickMagick](#)

i. **Video: Module 1 Lesson 5: ClickMagick Account**

- It is recommended to purchase the Starter Package
