BREAKOUT SESSION 3

Publish Shared Optin Page and Publish

In Breakout 3, you will share the optin page to your Clickfunnels account, and publish the page to Wordpress..

Table of Contents:

[Chapter 1: Share BLC Optin Page To ClickFunnels](#)

[Chapter 2: Publish Optin Page In Wordpress](#)

Chapter 1: Share The BLC Optin Page To ClickFunnels

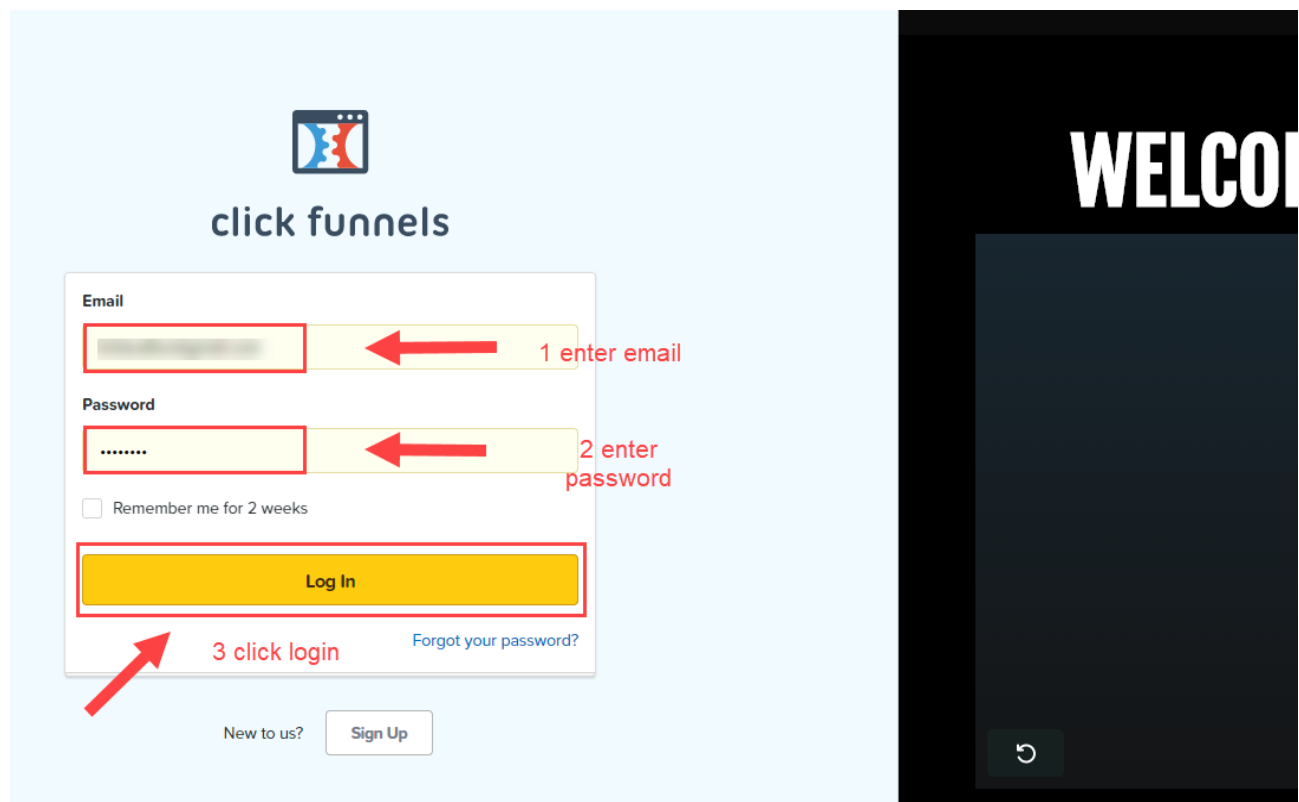

You Will Upload Clickfunnels share file from the Fullstaq Referral Partner Center

Fullstaq has created the optin page for you. In this PDF, you will be sharing (installing) it to your Clickfunnels account.

1. Log into Clickfunnels:

https://app.clickfunnels.com/users/sign_in

- a. You will need Clickfunnels open to complete the next part.

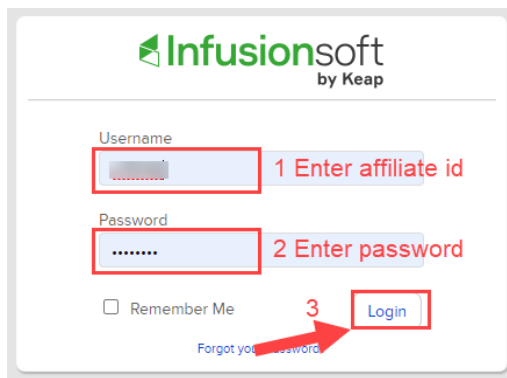

2. Referral Partner Center

- a. Log into Referral Partner Center:

<https://ma239.infusionsoft.app/app/authentication/login>

- i. **NOTE:** If you can not find your login information or misplaced your password, click on the link above and click on Forgot your Password. When it asks for your email, use the same email you used to register for the event.

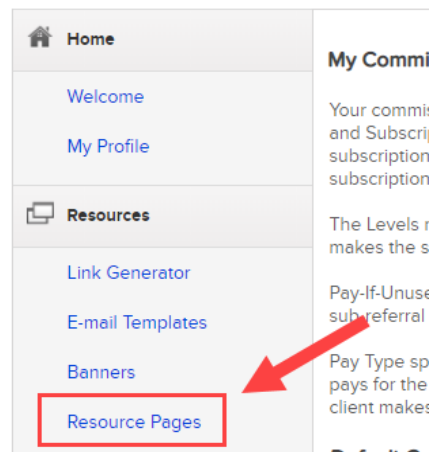

- b. Enter **Username and password** from email sent to you from Fullstaq Marketer. Click on **Login**.

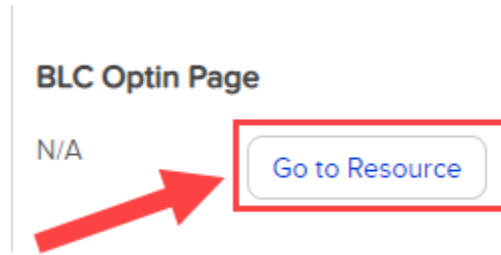

The image shows the Infusionsoft login page. The username field is highlighted with a red box and labeled '1 Enter affiliate id'. The password field is highlighted with a red box and labeled '2 Enter password'. The 'Login' button is highlighted with a red box and labeled '3'. A red arrow points from the 'Login' button to the 'Forgot your password' link.

- c. On the next page, click on **Resource Pages** on the left hand side menu.

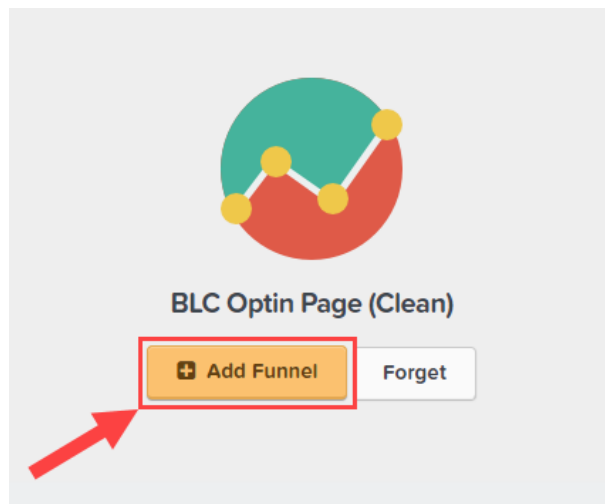

Referral Partner Struct

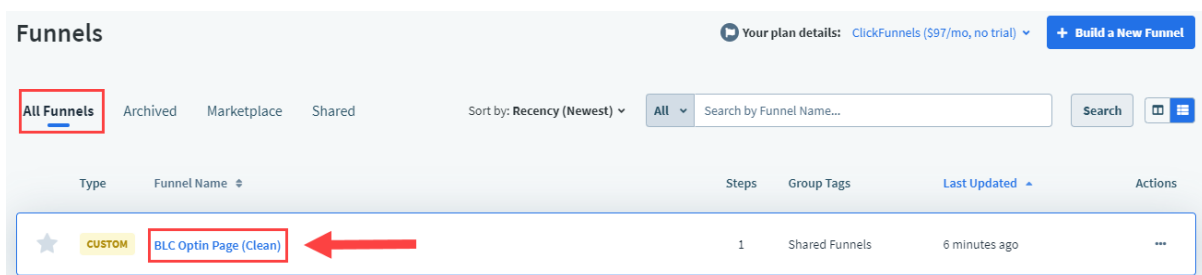

- d. Locate BLC Optin Page and click on **Go to Resource** (this will open the share file into ClickFunnels)

- e. Now in ClickFunnels, click on **Add Funnel**.

- f. From the 'All Funnels' tab, you will now see the shared funnel in your account. Click on '**BLC Optin Page (Clean)**' to open the Optin Page.

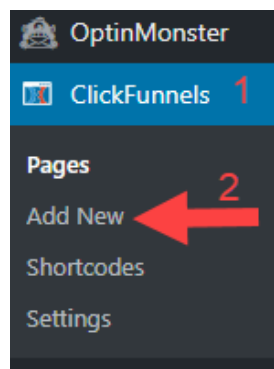

Chapter 2: Publish Optin Page in WordPress

In this chapter, you will be making the Optin page visible on the internet.

1. Log into WordPress via Bluehost

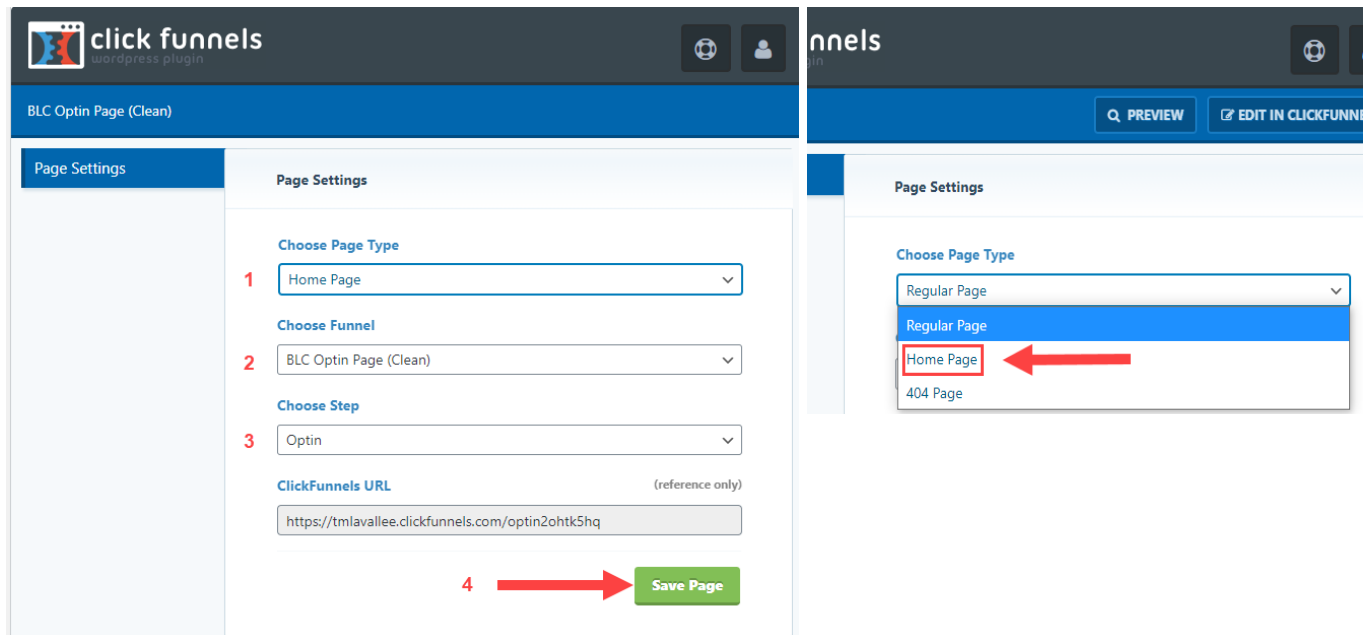

<https://my.bluehost.com/web-hosting/cplogin>

- a. On your Wordpress site, from the menu on the left, click on ClickFunnels > Add New

- b. In the next screen, follow the following steps:

- 1) **Choose Page Type:** click on down arrow and select **Home Page**
- 2) **Choose Funnel:** should be defaulted to BLC Optin Page (Clean), if not select BLC Optin Page (Clean)
- 3) **Choose Step:** should be defaulted to Optin as it is the only page in the funnel
- 4) Click **Save Page**

You have now successfully published your Optin Page.

NOTE: If you did not submit your Optin Link in Breakout Session 1, please submit it now (your Optin Link is your Domain Name):
